

Continents Song:
He's Got the Whole World in His Hands!

He's got the whole world in His hands,
He's got the whole world in His hands,
He's got the whole world in His hands,
He's got the whole world in His hands.

He's got North and South America in His hands,
He's got Europe, Asia, Africa in His hands,
He's got Australia and Antarctica in His hands.
He's got the whole world in His hands.
