

# Since I Follow the Lord

Words and music by Xiao Min

♩ = 112

Since I fol - low the Lord, I will not turn back. Since I've trust-ed the Lord,

I will have no lack. Though the road is rock-y, I will not com - plain; my

heart is full of sweet - ness in spite of tears and pain. Serv-ing the Lord is nev - er just a

path in shad-y green; serv-ing the Lord is nev - er just a peace-ful gar-den scene. Pri-son may a -

wait us, and sor-row's bit - ter stream; we must pass through Mar-ah to rest at El - im.
